

Asking for a raise in salary

Subject: Request for Salary Review

Dear Parth Sengar,

I hope you are doing well. I am writing to kindly request a review of my salary.

Over the past year, I have taken on additional responsibilities and contributed to projects and achievements such as:

- Completing the Job Listing Portal project on time and helping the team stay within budget.
- Improving the system to make it faster, reducing load times, and helping everything run more smoothly.
- Creating tools that automated repetitive tasks, saving the team time and effort.
- Training and guiding junior team members, improving their work and benefiting the team.

I believe these efforts have added significant value to the team. Given my contributions and commitment to the company's success, I would appreciate the opportunity to discuss adjusting my compensation to reflect this.

Thank you for considering my request. I am happy to meet at your convenience to discuss further.

Best regards,
